KARHOO INC.

(the "Company")

Minutes of a meeting of the board of directors held in London on 16 November 2016 at 4.45p.m (London time).

Present:

Arun Nayar

Robert Imershein (by telephone)

In attendance:

Paul Cooper of David Rubin & Partners

Adam Shama of David Rubin & Partners

1. Chairman

Arun Nayar was appointed Chairman of the meeting.

2. Quorum

The Chairman noted that notice of the meeting had been given to all those Directors entitled to receive it and that a quorum was present and, accordingly, declared the meeting open.

3. Background and purpose

The Chairman advised the Board that the purpose of the meeting was to consider, and (if thought fit) approve, the appointment of Paul Cooper and Paul Appleton of David Rubin & Partners as joint administrators (the "**Joint Administrators**") of the Company.

4. Disclosure of Directors' interests

Those Directors who were personally, either directly or indirectly, interested in the proposed arrangements referred to below (whether by virtue of their actual or proposed directorships and/or shareholdings in any of the companies referred to below or otherwise) declared the nature of their interests. It was noted that, as a consequence of the Directors' declarations, they could be counted in the quorum and could vote in relation to the declared matters under the Articles.

5. Financial position of the Company

- 5.1 The Chairman noted to the Board that the Company is loss-making and is insolvent on both a balance sheet and cash-flow basis.

Appointment of the Joint Administrators

- 5.2 The Directors considered the financial information available to them and concluded that by reason of its liabilities, the Company cannot continue its business in its current form.
- 5.3 The Board noted that the Joint Administrators should be appointed to enable the Company to obtain immediate protection (by way of a moratorium on creditor action) and allow the proposed administrators to evaluate options for the best realisation of the Company's assets.
- 6. Status of the Company, centre of main interests and the consent of the proposed administrators**
- 6.1 The directors considered the information available to them and concluded that the Company is not currently in liquidation, and, so far as they are able to ascertain:
- (a) in relation to the Company there is no petition for winding up which has been presented but not yet disposed of, no administration application which has not yet been disposed of, and there is no administrative receiver in office; and
 - (b) the Company has not been in administration, been the subject of a moratorium under Schedule A1 to the Insolvency Act 1986 which ended on a date when no voluntary arrangement was in force, or been the subject of a voluntary arrangement which was made during a moratorium under Schedule A1 to the Insolvency Act 1986 and which ended prematurely within the meaning of section 7B of the Insolvency Act 1986.
- 6.2 The Directors noted that the Company is not an insurance undertaking, a credit institution, an investment undertaking providing services involving the holding of funds or securities for third parties or a collective investment undertaking under Article 1.2 of the EC Regulation on Insolvency Proceedings 2000 (the "**EC Regulation**").
- 6.3 The Directors noted that the Company does not have its registered office in the United Kingdom, but, notwithstanding the presumption contained in Article 3(1) of the EC Regulation, they were satisfied that the centre of main interests of the Company is in the United Kingdom for the following reasons:
- (a) The Group's Headquarters and the place where general supervision and management of the Company takes place is London, United Kingdom;
 - (b) The Company's place of strategic control is in the United Kingdom, with the CEO, CFO, CMO and CTO all being based in the United Kingdom;
 - (c) The Company's address for the purpose of the Securities Purchase Agreement dated as of October 11, 2016 (the "**Securities Purchase Agreement**") and associated documents, was notified to the parties to such agreements as 6th Floor, 55 Baker Street, London W1U 8EW;
 - (d) The purchasers and current holders of the Secured Convertible Term Notes issued pursuant to the Securities Purchase Agreement are based or resident in

various places, including the United Kingdom, Monaco and the United States, and as such the majority of the creditors of the Company by value are not based in the United States;

- (e) The Group's accounting function is in the United Kingdom, with the Group CFO, Group Financial Controller, Global AP head, most of the Fraud team, the payments team (PSP), and the Group Head of financial projects, all based in the United Kingdom;
 - (f) The Company's human resources functions are based in the United Kingdom;
 - (g) The Company's IT systems were provided by Karhoo Limited, which was based in the United Kingdom;
 - (h) The corporate identity and branding of the Group was created in and is largely associated with the United Kingdom;
 - (i) The recent board meetings have not been held in any particular place, with one director being in the United Kingdom, one in the United States, and one in Europe;
 - (j) Negotiations with the Company's main creditors, being the holders of Convertible Securities, have however taken place from London, and as such those creditors were clearly able to ascertain the Company's place of strategic control as being in the United Kingdom; and
 - (k) In addition, over 90 per cent of the Group's turnover was generated in the United Kingdom.
- 6.4 The Chairman confirmed to the meeting Paul Cooper and Paul Appleton of David Rubin & Partners Ltd had consented to act as joint administrators of the Company.

7. Creditor Position

- 7.1 Each of the directors confirmed that there are no entities which hold a qualifying floating charge, and is, or may be entitled, to appoint an administrator or an administrative receiver of the company.
- 7.2 Each of the directors confirmed that, having carried out reasonable enquiries, he was not aware of any of the following:
- (a) any enforcement officer who is charged with execution or other legal process against the company;
 - (b) any person who has distrained against the company or its property;
 - (c) any supervisor of a voluntary arrangement under part I of the Insolvency Act 1986; or
 - (d) any winding up petition having been presented against the company.

8. Appointment documents

8.1 There was produced to the meeting:

- (a) a statement of consent to act as administrator of the Company signed by each of Paul Cooper and Paul Appleton of David Rubin & Partners; and
- (b) a notice of appointment of administrators by company or directors, incorporating a statement pursuant to paragraph 100(2) of the Insolvency Act 1986 (the "**Notice of Appointment**");

((a) and (b) together, the "**Appointment Documents**").

9. Considerations and approvals

9.1 The Directors carefully considered and discussed all of the above matters and concluded that the appointment of Paul Cooper and Paul Appleton as Administrators of the Company was in the best interests of the Company.

9.2 Having carefully considered the matters referred to, **IT WAS RESOLVED THAT:**

- (a) the form of Appointment Documents be and is hereby approved;
- (b) the Chairman be and is hereby authorised to make the statutory declarations contained in Notice of Appointment before an independent solicitor/commissioner for oaths;
- (c) the Appointment Documents and a record of these resolutions be filed at Court; and
- (d) such other steps be taken as may be required to effect the appointment Paul Cooper and Paul Appleton of David Rubin & Partners as Administrators of the Company;

in the case of (b), (c) and (d), as soon as reasonably practicable.

10. Close

There being no other business the Chairman declared the meeting closed.

Signed:
